The Rise of the West: A History of the Human Community is a book by University of Chicago historian William H.

McNeill, first published in 1963 and enlarged with a retrospective preface in 1991. It explores world history in terms of the effect different old world civilizations had on one another, and especially the deep influence of Western civilization on the rest of the world in the past 500 years. He argues that societal contact with foreign civilizations is the primary force in driving histo

The Rise of the West - Wikipedia

The growing individualism of Western culture, rooted in Christian doctrine, seems to have contributed significantly.² In addition, the political fragmentation of the European peoples in the high Middle Ages and the early modern period — a political pluralism with hundreds of separate jurisdictions — fostered the

institutional and technological experimentation by which entrepreneurs could discover how to make labor and capital more productive.

Rise of Modern West Research Papers - Academia.edu

The rise of the West refers to a period of time when Western Europe rose to power due to many environmental, political, and social factors. Many historians attribute the Rise of the West to the time period of 1450 to 1850. This power surge of Western Europe has been attributed to the global dominance of

Western Europe and America in the 21 century.

The Rise of the West: Western Europe's Gain of Power Essay ...

This is essentially the modern view of science, and it should be emphasized that it occurs only in Western civilization. It is probably this attitude that permitted the West to surpass the East, after centuries of inferiority, in the exploitation of the physical world. The Hermetic tradition also had more specific effects.

History of science - The rise of modern science | Britannica

The West's rise can be dated to the time of Charlemagne (p. 61). The reasons for it include 'an unprecedented ability to

manage and share information, to unlock the secrets of nature, to coordinate human activity, to foster and intensify individual initiative, to discover and adapt diverse ideas and resources, and to build and maintain institutions that promote all of these things' (p. 336).
