The Secret History of the World: As Laid Down by the Secret Societies, by author Mark Booth, is every bit as ludicrous as the title sounds. That being said, there are moments of genuinely brilliant writing and profoundly interesting ideas.

Booth sabotages himself with far too many obscure references and endless name-dropping.

The Secret History of the World by Jonathan Black

The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction. Laura Knight-Jadczyk, wife of internationally known theoretical physicist, Arkadiusz Jadczyk, an expert in hyperdimensional physics, draws on science and mysticism to pierce the veil of reality.

Review: The Secret History of the World by Jonathan Black ...

Everything in this history is upside down, inside out and the other way around. At the heart of "The Secret History of the World" is the belief that we can reach an altered state of consciousness in which we can see things about the way the world works that are hidden from us in our everyday, commonsensical consciousness.
