The Secret of Childhood is the best place to find Montessori's early thinking about human development for ages 3-6. It includes numerous stories and anecdotes and differ from The Absorbent Mind in subtle ways. It seems less theoretical and more experiential, with more (and better) specific stories of children and their development.

the secret of childhood a journey dedicated to the ideals of Maria Montessori, who, so many years ago discovered the secret of childhood and made it her life's work helping others to discover it too.

the secret of childhood

The Secret of Childhood is a passionate account of Maria Montessori's extensive research and many years of observation of child behaviour. Montessori considers the child in its entirety, including body, mind and the soul. A child is a mystery, argues Montessori, and the role of an adult is to facilitate the unfolding of child's true self. By understanding children's inner mysteries, notes Montessori, adults will be better equipped to facilitate a child's psychic development.
