In Ashley's War, Gayle  
Tzemach Lemmon uses

on-the-ground reporting and a finely tuned understanding of the complexities of war to tell the story of CST-2, a unit of women hand-picked from the Army to serve in this highly specialized and challenging role. The pioneers of CST-2 proved for the first time, at least to some grizzled Special Operations soldiers, that women might be physically and mentally tough enough to

become one of them.
