But whereas *Lost in Transition* focused on the ways in which local Hong Kong culture gradually lost its uniqueness at the time the city transitioned from a British colony to the Special Administrative Region under mainland China's rule, the analysis that Chu conducts in *Found in Transition* is contextualised by more recent events – specifically the aftermath of the 2014 Umbrella Movement. Indeed, Chu's analysis centers on various critical issues regarding local Hong Kong culture ...

Found in Transition | HONG KONG REVIEW OF BOOKS

Chu argues that Hong Kong's culture was "lost in transition" when it tried to affirm its international visibility and retain the status quo after 1997. In an era when China welcomed outsiders and became the world's most rapidly developing economy, Hong Kong's special position as a capitalist outpost was no longer a privilege.
