Powers Of Persuasion The Inside

Now the last principle in the power of persuasion I'm going to discuss is the scarcity principle. We all understand that if diamonds grew on trees and littered the ground nobody would think much of them. What makes them so valuable is their relative scarcity. There just aren't that many of them around.

What is the power of persuasion?

Powers of Persuasion tells the authoritative story of this dynamic, exhilarating era, with pen portraits of the personalities involved, anecdotes, case histories, and essential data. Written (from the inside) by one of the industry's leaders, this is a book for all interested in advertising and its role in society, business, and the media.
