Crossfire : the Plot that Killed Kennedy

Name and Subject Index**Population Control****How Corporate Owners Are Killing Us** *HarperCollins*

From the food we eat, the water we drink to the air we breathe, everything these days seems capable of killing us. Recently we have seen an unprecedented number of deaths due to medications for diseases that may not even exist, obscure cancers caused by our modern devices, and brutal police tactics. All a coincidence? Think again. In *Population Control*, acclaimed journalist Jim Marrs lays out a stunning case for his most audacious conspiracy yet: the scheme concocted by a handful

of global elites to reduce the world's population to 500 million by whatever means necessary and make a profit from it. Marrs, the bestselling author of *Rule by Secrecy* and *The Trillion Dollar Conspiracy*, pulls no punches in exposing this evil and chillingly effective plan. He explains how a small group of tremendously wealthy and powerful people control virtually every important industry - guns, oil, pharmaceuticals, food, and of course the media - and how it uses this vast network of conglomerates to take actions that lead to the deaths of men and women all over the world. In the explosive *Population Control*, Marrs lays bare the damning truths

corporate owners don't want you to discover: how they've spied on private citizens, intentionally spread disease, and destroyed the planet chasing profits, all to improve the lives of a privileged few while eliminating everyone else. Finally, he offers a citizen's blueprint for fighting back.

A Farewell to Justice

Jim Garrison, JFK's Assassination, and the Case That Should Have Changed History

Skyhorse

Working with thousands of previously unreleased documents and drawing on more than one thousand interviews, with many witnesses speaking out for the first time, Joan

Mellen revisits the investigation of New Orleans district attorney Jim Garrison, the only public official to have indicted, in 1969, a suspect in President John F. Kennedy's murder. Garrison began by exposing the contradictions in the Warren Report, which concluded that Lee Harvey Oswald was an unstable pro-Castro Marxist who acted alone in killing Kennedy. A Farewell to Justice reveals that Oswald, no Marxist, was in fact working with both the FBI and the CIA, as well as with US Customs, and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government. Garrison's suspects included CIA-sponsored

soldiers of fortune enlisted in assassination attempts against Fidel Castro, an anti-Castro Cuban asset, and a young runner for the conspirators, interviewed here for the first time by the author. Building upon Garrison's effort, Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover-up. In this revised edition, to be published in time for the fiftieth anniversary of the president's assassination, the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November

22, 1963. More than one hundred new pages add critical evidence and information into one of the most significant events in human history.

The Sisterhood of the Rose

The Recollection of Celeste Levesque

Red Wheel Weiser

Late in World War II, Adolf Hitler is about to achieve his greatest victory: the capture of Solomon's Treasure, the world's most sacred treasure trove, representing both gold and precious gems as well as ancient knowledge. He believes it will guarantee his dream of a thousand-year Reich. Jim Marrs presents an edgy combination of fact and fiction in this wide-reaching story of ancient secrets uncovered in the midst of war. The first novel from Marrs, this book follows his bestseller *The Rise of the Fourth Reich*. He uses his factual research into the Nazis' fascination with the occult and their search for iconic treasures as a basis for this novel. Can Giselle

Tchaikovsky, a young American woman who achieved fame as a teenage ballet dancer in the 1930s, stop Hitler's dream of world conquest? Can the secret sisterhood she creates do anything against the Nazi juggernaut of men and machines? Will the sisterhood bring about a resurgence of the feminine goddess aspect of humanity in time to spare the world this madman's holocaust? Jim Marrs presents an edgy combination of fact and fiction in this wide-reaching story of ancient secrets uncovered in the midst of war. It's a tale of love and war, ancient mysteries, and the struggle to balance the human soul. The first novel from Marrs, this book follows his New

York Times bestseller *The Rise of the Fourth Reich*. He uses his factual research into the Nazis' fascination with the occult and their search for iconic treasures as a basis for the novel.

The Rise of the Fourth Reich

The Secret Societies That Threaten to Take Over America *Harper Collins*

Throw out everything you think you know about history. Close the approved textbooks, turn off the corporate mass media, and whatever you do, don't believe anything you hear from the government—*The Rise of the Fourth Reich* reveals the truth about American power. In this explosive new book, the legendary Jim

Marrs, author of the underground bestseller *Rule by Secrecy*, reveals the frighteningly real possibility that today the United States is becoming the Fourth Reich, the continuation of an ideology thought to have been vanquished more than a half century ago. This concept may seem absurd to those who cannot see past the rose-colored spin, hype, and disinformation poured out daily by the media conglomerates—most of which are owned by the very same families and corporations who supported the Nazis before World War II. But as Marrs precisely explains, National Socialism never died, but rather its hideous philosophy is alive and active in modern

America.

Unfortunately, most people cannot understand the shadowy links between fascism and corporate power, the military, and our elected leaders. While the United States helped defeat the Germans in World War II, we failed to defeat the Nazis. At the end of the war, ranking Nazis, along with their young and fanatical protégés, used the loot of Europe to create corporate front companies in many countries, including the United States of America. Utilizing their stolen wealth, men with Nazi backgrounds and mentalities wormed their way into corporate America, slowly buying up and consolidating companies into giant

multinational conglomerates. Many thousands of other Nazis came to the United States under classified programs such as Project Paperclip. They brought with them miraculous weapon technology that helped win the space race but they also brought their insidious Nazi philosophy within our borders. This ideology based on the authoritarian premise that the end justifies the means—including unprovoked wars of aggression and curtailment of individual liberties—has gained an iron hold in the "land of the free and the home of the brave." For the first time Jim Marrs has gathered compelling evidence that an effort

has been underway for the past sixty years to bring a form of National Socialism to modern America, creating in essence a modern empire—or "Fourth Reich"!

The Trillion-Dollar Conspiracy

How the New World Order, Man-Made Diseases, and Zombie Banks Are Destroying America

Harper Collins

America's economy is in shambles . . . Its citizens are terrified and dissatisfied . . . Could it all have been planned by a secret elite one hundred years ago? The New World Order. Hitler referred to it in his diaries. President George H. W. Bush foretold of it in his speeches. Formed by a

secretive global elite, the group seeking this new order has taken hold of the nation—and perhaps the world. Its influence pervades every aspect of American society, from the products we buy at the grocery store to the topics of evening news programs. But could it also be true that the New World Order caused one of the greatest financial catastrophes of our time? Bestselling author and legendary conspiracy researcher Jim Marrs has yet again exposed information that the mainstream corporate media has refused to report, unearthing the lies to expose the insidious alliances that make up a secret world. In the explosive *The Trillion-Dollar Conspiracy*, Marrs digs beneath the

media noise surrounding the financial bailouts of 2008 and 2009 while exploring the back rooms and shadowy deals of our nation's past to craft a frightening history that no one else is brave enough to tell.

Last Word

My Indictment of the CIA in the Murder of JFK Skyhorse

Mark Lane tried the only U.S. court case in which the jurors concluded that the CIA plotted the murder of President Kennedy, but there was always a missing piece: How did the CIA control cops and secret service agents on the ground in Dealey Plaza? How did federal authorities prevent the House Select Committee on

Assassinations from discovering the truth about the complicity of the CIA? Now, New York Times best-selling author Mark Lane tells all in this explosive new book—with exclusive new interviews, sworn testimony, and meticulous new research (including interviews with Oliver Stone, Dallas Police deputy sheriffs, Robert K. Tanenbaum, and Abraham Bolden) Lane finds out first hand exactly what went on the day JFK was assassinated. Lane includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin. The officer testified that he drew his gun and pointed it at the

suspect who showed Secret Service ID. Yet, the Secret Service later reported that there were no Secret Service agents on foot in Dealey Plaza. The Last Word proves that the CIA, operating through a secret small group, prepared all credentials for Secret Service agents in Dallas for the two days that Kennedy was going to be there—conclusive evidence of the CIA's involvement in the assassination.

Blood, Money, & Power

How LBJ Killed JFK*Skyhorse*

Blood, Money, & Power exposes the secret, high-level conspiracy in Texas that led to President John F. Kennedy's death and the succession of Lyndon B. Johnson as president in 1963. Attorney Barr McClellan, a former member of L.B.J.'s legal team, uses hundreds of newly released documents, including insider interviews, court papers, and the Warren Commission, to illuminate the maneuvers, payoffs, and power plays that revolved around the assassination of Kennedy and to expose L.B.J.'s involvement in the murder plot. In addition to revealing new information, McClellan answers

common questions surrounding the assassination of our thirty-fifth president. Who had the opportunity, motive, and means to assassinate J.F.K.? Who controlled the investigation and findings of the Warren Commission? This historically significant book is proof that absolute power, money, blood, corruption, and deception were at the heart of politics in the early 1960s, and it represents the very best investigative journalism has to offer.

The Echo from Dealey Plaza

The true story of the first African American on the White House Secret Service detail and his quest for justice after the

assassination of JFK
Crown

From the first African American assigned to the presidential Secret Service detail comes a gripping and unforgettable true story of bravery and patriotism in the face of bitter hatred and unthinkable corruption. Abraham Bolden was a young African American Secret Service agent in Chicago when he was asked by John F. Kennedy himself to join the White House Secret Service detail. For Bolden, it was a dream come true—and an encouraging sign of the charismatic president's vision for a new America. But the dream quickly turned sour when Bolden found himself regularly subjected to open hostility and blatant

racism. He was taunted, mocked, and disparaged but remained strong, and he did not allow himself to become discouraged. More of a concern was the White House team's irresponsible approach to security. While on his tour of presidential duty, Bolden witnessed firsthand the White House agents' long-rumored lax approach to their job. Drinking on duty, abandoning key posts—this was not a team that appeared to take their responsibility to protect the life of the president particularly seriously. Both prior to and following JFK's assassination, Bolden sought to expose and address the inappropriate behavior and negligence of these agents, only to

find himself the victim of a sinister conspiracy that resulted in his conviction and imprisonment on a trumped-up bribery charge. A gripping memoir substantiated by recently declassified government documents, *The Echo from Dealey Plaza* is the story of the terrible price paid by one man for his commitment to truth and justice, as well as a shocking new perspective on the circumstances surrounding the death of a beloved president.

The Illuminati

The Secret Society That Hijacked the World *Visible Ink Press*

A deep dive into the origins, history, members, and workings of the Illuminati from a well-

known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamases, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and

pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today's international corporate logos, Knights Templar, assassins, Skull and Bones, whistle blowers, the revolutions in France, Russia, and America, and much,

much more. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to powerful people, and their place in modern America.

LIFE The Day Kennedy Died

Fifty Years Later: LIFE Remembers the Man and the Moment *Time Home Entertainment*

Fifty years ago on November 22, 1963, in Dallas's Dealey Plaza, John Fitzgerald Kennedy, the 35th President of the United States, was assassinated while traveling in a motorcade with his wife, Jacqueline. LIFE magazine, the weekly pictorial chronicle of events in America and throughout the world, was quickly on the scene. The Kennedys had been LIFE's story: Jack and Jackie made the cover in his sailboat before they were married and he was a fresh-faced senator from Massachusetts, and the White House doors had remained open to LIFE

throughout his presidency: Cecil Stoughton's photographs of Caroline and John-John in the Oval Office, Jackie's tour of the renovation, tense behind-the-scenes moments during 13 days of the Cuban Missile Crisis--all of this appeared in LIFE. The famous Zapruder film, included here unedited, first appeared in LIFE, after being acquired by LIFE's Richard B. Stolley. Stolley also interviewed at the time Dallas police, Kennedy administration officials, members of the Oswald family, workers at Jack Ruby's bar. Jackie's first conversation after the murder was with Theodore H. White for LIFE, and in it she told the American people, for the first time, about the Camelot her late husband had imagined. All of that is revisited in LIFE The Day Kennedy Died, including: An official release of the unedited Zapruder film An essay by Richard B. Stolley on how he exclusively obtained the iconic film for LIFE An essay by Abraham Zapruder's granddaughter, Alexandra, who writes for the first time about how the film affected her family over the generations Personal stories about where they were when they heard the news from Barbra Streisand, Maya Angelou, Jimmy Carter, Tony Bennett, Willie Mays, Sergei Khrushchev, James Earl Jones, John Boehner, Tom Brokaw, Mikhail Baryshnikov, Alec Baldwin, Bill O'Reilly,

Dan Rather and many more Rarely seen photos from the TIME/LIFE archive of Allan Grant's photo essay of the Oswald family on the night of the assassination A foreword featuring a conversation with historian David McCullough LIFE's Theodore H. White's famous "Camelot" interview with Jackie (which she gave shortly after the assassination), as well as the story behind the interview and the words that never ran A new essay on 50 years of conspiracy theories by J.I. Baker, author of *The Empty Glass*

Case Closed

Lee Harvey Oswald and the Assassination of JFK

Open Road Media

Pulitzer Prize Finalist: "By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not." —The New York Times Book Review The Kennedy assassination has

reverberated for five decades, with tales of secret plots, multiple killers, and government cabals often overshadowing the event itself. As Gerald Posner writes, “Fifty years after the assassination, the biggest casualty has been the truth.” In this first-ever digital edition of his classic work, updated with a special comment for the fiftieth anniversary, Posner lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963. Drawing from official sources and dozens of interviews, and filled with powerful

historical detail, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy.

The Man Who Killed

Kennedy

The Case Against LBJ

Simon and Schuster

"We appreciate Roger Stone, he is one tough cookie." - President Trump

The sensational New York Times bestseller, now in paperback. Find out how and why LBJ had JFK assassinated. The Man Who Killed Kennedy: The Case Against LBJ hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F. Kennedy. Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of JFK. Stone maps out the case that LBJ

blackmailed his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy. Stone uses fingerprint evidence and testimony to prove JFK was shot by a long-time LBJ hit man—not Lee Harvey Oswald. President Johnson would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder President Kennedy on November

22, 1963. In *The Man Who Killed Kennedy*, you will find out how and why he did it. Legendary political operative and strategist Roger Stone has gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination, but was in fact the mastermind. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome,

medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Brick Foxhole

Open Road Media

New York Times Bestseller: This “shocking” murder mystery addresses homophobia in the military during World War II (Richard Wright, author of *Native Son*). The men in the barracks, wrenched from the normal pursuits of life, are being molded into warriors in a battle against the “others.” Isolated and fearful, they sometimes relieve their frustrations on the most disenfranchised civilians, namely homosexuals. But one

weekend, one of them loses control and commits murder. This tale of suspense is also a story ahead of its time, written by a young marine stationed at Quantico who would go on to become an Academy Award-winning director of such films as *Elmer Gantry* and *The Blackboard Jungle*. Sinclair Lewis, writing in *Esquire*, called Richard Brooks “a really important new writer” and *The Brick Foxhole* was acclaimed in the *Saturday Review of Literature* as “angry, rapid, streamlined, and beautifully written . . . the best of the new stuff coming out of this war”—though the US Marines threatened the author with court-martial. Eventually, the story was made into

the movie *Crossfire* (with the hate crime in question changed to an act of anti-Semitic rather than antigay violence), which earned Brooks an Edgar Award for Best Motion Picture. Today, *The Brick Foxhole* remains both a twisting thriller and an early landmark of gay-themed fiction.

JFK: The French Connection SCB
Distributors

Ten months after the assassination of John F. Kennedy, the Warren Commission reported that Lee Harvey Oswald, alone, killed the president on November 22, 1963 in Dallas, Texas. Oswald had no confederates, nor did any foreign power aid him in his deadly deed. Case closed. However, what

most Americans do not know is that one day after the assassination, the FBI deported a known French assassin—a member of the militant, anti-Charles de Gaulle organization called the OAS. Jean Souetre was sent to either Mexico or Canada. He was involved in anti-de Gaulle terrorist activities in Europe and even tried to recruit the CIA in his efforts to oust the French President. During his career, he used at least 11 identities, including those of two real people. Why was a known French assassin in Dallas on the exact day that the president of the United States was killed, and what role, if any, did he play in the monstrous deed? This book delves into three major areas of

study: (1) the investigation of Jean Souetre and the two other men whose identities he used; (2) the investigation of the identities of two European assassins, QJ/WIN and WI/ROUGE, and their use in the CIA's assassination unit called ZR/RIFLE-Executive Action; and (3) the role of the CIA in the drug trade after World War II. Chapters include: The First Assassin; The Mafia and Uncle Sam; The Heroin Trail; MKULTRA; QJ/WIN and Patrice Lumumba; The US Senate Select Committee on Intelligence "Assassination Reports"-The CIA and Lumumba; Who Was Souetre?; Who Was Mertz?; The Steve Rivele Investigation; The Guns of Dallas;

more.

Four Days in November: The Assassination of President John F. Kennedy W. W.

Norton & Company
"A book for the ages."

—Los Angeles Times Book Review
Four Days in November is an extraordinarily exciting, precise, and definitive narrative of the assassination of President John F. Kennedy on November 22, 1963, by Lee Harvey Oswald. It is drawn from *Reclaiming History: The Assassination of President John F. Kennedy*, a monumental and historic account of the event and all the conspiracy theories it spawned, by Vincent Bugliosi, legendary prosecutor of Charles

Manson and author of *Helter Skelter*. For general readers, the carefully documented account presented in *Four Days* is utterly persuasive: Oswald did it and he acted alone.
