Labor, Property and Profit: How Philosophy Influences ...

e. The labor theory of property (also called the labor theory of appropriation, labor theory of ownership, labor theory of entitlement, or principle of first appropriation) is a theory of natural law that holds that property originally comes about by the exertion of labor upon natural resources. The theory has been used to justify the homestead principle, which holds that one may gain whole permanent ownership of an unowned natural resource by performing an act of original appropriation.
