Interregnum Tales Of The Empire
Interregnum is an epic story of, as the

name implies, a period when the empire of its world has collapsed into factional chaos. Former generals are war lords for hire. But a slight, rather scholarly, young man sets a powerful one on a course of action which leads to new history being made.

A historical fantasy tale of valour, honour, and determination against all odds. For twenty years civil war has torn the Empire apart; the Imperial line extinguished after the mad Emperor Quintus was burned in his palace, betrayed by his greatest general and oldest friend, Kiva Caerdin. Against a background of war, decay and violence, men who once served in the proud

Imperial army now fight as hands for hire, little but fodder for greedy lords fighting over the remnants of more glorious times.

Tales of the Empire Series by S.J.A. Turney

There were many imperial interregna in the history of the Holy Roman Empire, when there was no emperor. Interregna in which there was no emperor-elect were rarer. Among the longest periods without an emperor were between 924 and 962, between 1245 and 1312, and between 1378 and 1433. The crisis of government of the Holy Roman Empire and the German kingdom thus lasted throughout the late medieval period, and ended only with the rise of the House of Habsburg on the eve of the German Reformation and
