The Woman in the Mirror

A Novel *Minotaur Books*

Rebecca James unveils a chilling modern gothic novel of a family consumed by the shadows and secrets of its past in *The Woman in the Mirror*. For more than two centuries, Winterbourne Hall has stood atop a bluff overseeing the English countryside of Cornwall and the sea beyond. Enshrouded by fog and enveloped by howling winds, the imposing edifice casts a darkness over the town. In 1947, Londoner Alice Miller

accepts a post as governess at Winterbourne, looking after twin children Constance and Edmund for their widower father, Captain Jonathan de Grey. Falling under the de Greys' spell, Alice believes the family will heal her own past sorrows. But then the twins' adoration becomes deceitful and taunting. Their father, ever distant, turns spiteful and cruel. The manor itself seems to lash out. Alice finds her surroundings subtly altered, her air slightly chilled. Something malicious resents her presence, something clouding her senses and threatening her very sanity. In present day New York, art gallery curator Rachel Wright has learned she is a descendant of the de Greys and heir to Winterbourne. Adopted as an infant, she never knew her birth

parents or her lineage. At long last, Rachel will find answers to questions about her identity that have haunted her entire life. But what she finds in Cornwall is a devastating tragic legacy that has afflicted generations of de Greys. A legacy borne from greed and deceit, twisted by madness, and suffused with unrequited love and unequivocal rage. There is only one true mistress of Winterbourne. She will not tolerate any woman who dares to cross its threshold and call it home. Those who do will only find a reflection of their own wicked sins and an inherited vengeance.

Bugs, bad cell reception, and the dark waters of the lake... no thanks. On top of that, she just failed her swim test and hates being in the water—it's terrifying. But her

grandparents are strong believers in their family knowing how to swim, especially having grown up during a time of segregation at public pools. And soon strange things start happening—the sound of footsteps overhead late at night. A flickering light in the attic window. And Celeste's cousins start accusing her of pranking them when she's been no where near them! Things at the old house only get spookier until one evening when Celeste looks in the steamy mirror after a shower and sees her face, but twisted, different... Who is the girl in the mirror? And what does she want? Past and present mingle in this spine-tingling ghost story by award-winning author India Hill Brown.

The Mirror and the Palette *Simon and Schuster*

A dazzlingly original and ambitious book on the history of female self-portraiture by one of today's most well-respected art critics. Her story weaves in and out of time and place. She's Frida Kahlo, Loïs Mailou Jones and Amrita Sher-Gil en route to Mexico City, Paris or Bombay. She's Suzanne Valadon and Gwen John, craving city lights, the sea and solitude; she's Artemisia Gentileschi striding through the streets of Naples and Paula Modersohn-Becker in Worpswede. She's haunting museums in her paint-stained dress, scrutinising how El Greco or Titian

or Van Dyck or Cézanne solved the problems that she too is facing. She's railing against her corsets, her chaperones, her husband and her brothers; she's hammering on doors, dreaming in her bedroom, working day and night in her studio. Despite the immense hurdles that have been placed in her way, she sits at her easel, picks up a mirror and paints a self-portrait because, as a subject, she is always available. Until the twentieth century, art history was, in the main, written by white men who tended to write about other white men. The idea that women in the West have always made art was rarely cited as a possibility. Yet they have - and, of course, continue to do so - often against tremendous odds, from laws and religion to the pressures of

family and public disapproval. In *The Mirror and the Palette*, Jennifer Higgle introduces us to a cross-section of women artists who embody the fact that there is more than one way to understand our planet, more than one way to live in it and more than one way to make art about it. Spanning 500 years, biography and cultural history intertwine in a narrative packed with tales of rebellion, adventure, revolution, travel and tragedy enacted by women who turned their back on convention and lived lives of great resilience, creativity and bravery.
