Not Your Usual Boob

MK Meredith

Dear Reader, When I got my breast cancer diagnosis, I was immediately inundated with books on Cancer. They terrified me. So, this book...is *Not Your Usual Boob*. A little informative, a little sarcastic, a little funny—I hope—and a lot real. This is the

book I wish I could have read in my time of need. A little bit of what you can expect during your journey, and how to prepare yourself with a healthy mindset and coping skills before they're needed. The #NoFilter is exactly that...no filter on the front cover—me and all my wonkiness with no photoshop—and it's what you'll find inside these pages—including an F-bomb or five. Because more important than shielding myself is being real with you. You may laugh, you may cry, you may want to punch me in the face...but in the end, remember this. If you ever meet me, I'm hugging you. Because that's me. And more than anything, that is the big reason behind

this book. I am still ME. And YOU are still YOU. XO ~ MK Meredith

How to Be Fine *HarperCollins*

A humorous and insightful look into what advice works, what doesn't, and what it means to transform yourself, by the co-hosts of the popular By the Book podcast. In each episode of their podcast By the Book, Jolenta Greenberg and Kristen Meinzer take a deep dive into a different self-help book, following its specific instructions, rules, and advice to the letter. From diet and productivity to

decorating to social interactions, they try it all, record themselves along the way, then share what they've learned with their devoted and growing audience of fans who tune in. In *How to Be Fine*, Jolenta and Kristen synthesize the lessons and insights they've learned and share their experiences with everyone. *How to Be Fine* is a thoughtful look at the books and practices that have worked, real talk on those that didn't, and a list of philosophies they want to see explored in-depth. The topics they cover include: Getting off your device Engaging in positive self-talk Downsizing Admitting you're a liar Meditation Going outside Getting in touch with your emotions Seeing a

therapist Before they began their podcast, Jolenta wanted to believe the promises of self-help books, while Kristen was very much the skeptic. They embraced their differences of opinion, hoping they'd be good for laughs and downloads. But in the years since launching the *By the Book*, they've come to realize their show is about much more than humor. In fact, reading and following each book's advice has actually changed and improved their lives. Thanks to the show, Kristen penned the Amish romance novel she'd always joked about writing, traveled back to her past lives, and she broached some difficult conversations with her husband about their

marriage. Jolenta finally memorized her husband's phone number, began tracking her finances, and fell in love with cutting clutter. Part memoir, part prescriptive handbook, this honest, funny, and heartfelt guide is like a warm soul-baring conversation with your closest and smartest friends.
