Porsche 997 Carrera 4S Gen2 ultimate guide. Despite having done much to boost Porsche's coffers during a difficult period, the 996 generation endured something of a torrid time. The necessary change to water-cooling had divided opinion and loyalty, and some high profile engine problems had dented the company's reputation for peerless engineering. The commotion eventually

died down, of course, and by the time the 997 arrived in September 2004, things were on a much stronger footing.
