Perhaps the two most important ones being the CIBSE office lighting guide LG7 and BCO Guide to Lighting. The LG7 guide focuses on ensuring minimum lighting levels for the office space are met whilst providing a stimulating working environment at the same time. It recognises daylight as a key component of the design.

A guide to Office Lighting — 299 Lighting

This new edition of LG7 has kept the design flexibility of the old one, but has built on it to emphasise the need to minimise energy use while maintaining a good visual environment for occupants. It keeps a balanced approach to design options, covering, where ceiling heights allow, direct/indirect lighting or pure

uplighting and, for spaces with lower ceilings, recessed downlighting.
