Delane's War : How Front-Line Reports from the Crimean War ...

A front line in military terminology is the position closest to the area of conflict of an armed force's personnel and equipment, usually referring to land forces. When a front between opposing sides forms, the front line is the area where each side's forces are engaged in conflict. Leaders have often fought at the front lines either purposefully or due to a collapse in battle formation. While a calculated risk, fighting on the front has in

instances reduced communication and heightened morale.
