World History Map Activities Weston Walch Answers

As a teacher of 10th grade world history, I am always looking for ways for students to engage with various maps and elements of geography. Each map offers students the opportunity to engage with various geographical, political, and historic elements, but also includes questions that require students to use information from the map.

World History Map Activities: Marvin Scott: 9780825128806 ...

Having already used World History Map Activities, also a Walch publication, I looked forward to using this map activities book in our home school. There is no comparison between the two. This U.S. map book has fewer maps, they are not drawn as well, there are not always lines of latitude/longitude on the maps, and there is no accompanying text for each map as there is in the World map book.
