Make Way for Ducklings *Penguin*
"Robert McCloskey's unusual and stunning pictures have long been a delight for their

fun as well as their spirit of place."—The Horn Book Mrs. Mallard was sure that the pond in the Boston Public Gardens would be a perfect place for her and her eight ducklings to live. The problem was how to get them there through the busy streets of Boston. But with a little help from the Boston police, Mrs. Mallard and Jack, Kack, Lack, Nack, Ouack, Pack, and Quack arrive safely at their new home. This brilliantly illustrated, amusingly observed tale of Mallards on the move has won the hearts of generations of readers. Awarded the Caldecott Medal for the most distinguished American picture book for children in 1941, it has since become a favorite of millions. This classic tale of the

famous Mallard ducks of Boston is available for the first time in a full-sized paperback edition. *Make Way for Ducklings* has been described as "one of the merriest picture books ever" (The New York Times). Ideal for reading aloud, this book deserves a place of honor on every child's bookshelf. "This delightful picture book captures the humor and beauty of one special duckling family.

The image of the entire family proudly walking in line is a classic."—The Barnes & Noble Review "The quaint story of the mallard family's

search for the perfect place to hatch ducklings. ... For more than fifty years kids have been entertained by this warm and wonderful story."—Children's Literature

Centerburg Tales

More Adventures of Homer Price *Penguin*

Centerburg might be your town. Grampa Hercules and his never-ending tall tales, Dulcy Dooner, the uncooperative citizen, unbusinesslike Uncle Ulysses and his friendly lunchroom, the flustered sheriff, the pompous judge—they are all as American as they come. But there's a subtle and delightful

difference. In Centerburg, along with the routine of day-to-day living, the most preposterous things keep happening. But nothing fazes Homer Price! Ragweeds taller than fire ladders, music that sets a whole town dancing—he solves these problems calmly and efficiently. Homer Price is a boy with a good supply of common sense—and ingenuity! Homer's Grampa Hercules is a delightful old rascal and his extravagant reminiscences of his youth are the starting point of many of the episodes. The chapter titles are as enticing as the chapters themselves: The Hide-a-Ride, Looking for Gold, Ever So Much More So, Experiment 13, Grampa Hercules and the Gravitty-

Bitties, Pie and Punch and You-Know-Whats. Mr. McCloskey's characters have warmth and kindness and a healthy curiosity; but they are not above a few minor faults and foibles. They are unmistakably alive. Like Mr. McCloskey himself, they are perpetually amused by the everyday hazards and discrepancies around them.

Now Ms. Schon tells the story not only of how the ducks came to Boston (along with the multiple political, artistic and personal challenges involved) but also how they travelled to Moscow, championed by Barbara Bush and Raisa Gorbachev, to mark the Strategic Arms Reduction Treaty.

Burt Dow, Deep-Water Man *Penguin*

Just Ducks!

Candlewick Press

"Pitch-perfect throughout, enthusiastic and confident. . . .

Positively ducky all around." — Publishers Weekly (starred review) The young girl in this story may live in the city, but outside her window there's a river full of mallard ducks! She hears them as soon as she wakes up, and on the way to school she sees them upside down bobbing for food. Interspersed with fun facts, her enthusiastic commentary about her

feathered neighbors — what they look like, how they behave, where they nest, where they sleep — pairs swimmingly with cheerful watercolor illustrations. Back matter includes an index and a note about ducks.

PostSecret

Extraordinary Confessions from Ordinary Lives

Harper Collins

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be

creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

Mud Pond. Then there is only one tractor—and it's not big or yellow—who can come to the rescue. It is little old Otis who saves his friend. It is Otis who saves the day. Be Hopeful (1 Peter)

How to Make the Best of Times Out of Your Worst of Times

David C Cook

"Hope is not a sedative; it is a shot of adrenaline, a blood transfusion." Through clever word pictures like this, best-selling author and former pastor Warren Wiersbe preaches the same message Peter preached so long ago. Turning each enlightening page, believers gain increasing confidence in true Hope, a God in whom they don't just wish for eternal life. In Scripture, hope means the promise of salvation for those who have accepted Him and His Son's death and resurrection. Christians who possess this hope and live as though they possess it will learn godly submission, holy living, and harmony with other believers. These

qualities will prepare them for what Peter paints in his epistle as inevitable-suffering and persecution. Though Peter is writing to warn a people who would soon be under the tyranny of a heathen Roman emperor, some level of suffering will always be a part of the believers' journey. A time is soon coming when living the "comfortable" Christian life will be far more costly than the life willing to give up all.

In this deliciously original school story, Blair Thornburgh and Kate Berube recognize the dreadful disappointment that a casting list can cause—as well as the power of friendship, creative thinking, and a good attitude to turn a rotten situation into one that's quite appealing. Showtime!
