Hello Android : Introducing Googles Mobile Development ...

Hello, Android is divided into four parts. Roughly speaking, the book progresses from less advanced to more advanced topics, or from more common to less common aspects of Android. Several chapters share a common example: an Android Sudoku game. By gradually adding features to the game, you'll learn about many aspects of Android programming including user interfaces, multimedia, and the Android life cycle.

Hello, Android: Introducing Google's Mobile Development ...

Hello Android is exactly what you need to find out in double quick time what the Android platform is all about from the application development point of view. Notice that it doesn't cover the more advanced and ambitious task of customising the Android operating system itself, which is a possibility that many think sets Android above all other mobile development systems.
