The Imperfectionists A Novel

Tom Rachman's perfect debut novel *The Imperfectionists* consists of a series of interconnected short stories about people linked by an English-language international newspaper based in Rome, each chapter neatly self-contained but simultaneously referring to previous tales and containing clues to ensuing ones. It's one of the greatest books I've ever read.

The Imperfectionists by Tom Rachman

The Imperfectionists interweaves the stories of eleven unusual and endearing characters who depend on the paper. Funny and moving, the novel is about endings - the end of life, the end of sexual desire, the end of the era of newspapers - and about what might rise afterward.

Tom Rachman - Wikipedia

The Imperfectionists is a novel about the peculiar people who write and read an international newspaper based in Rome: from the obituary reporter who will do anything to avoid work, to the dog-obsessed publisher who seems less interested in his struggling newspaper than in his magnificent basset hound, Schopenhauer. While the news of the day rushes past, the true front-page stories for all of them are the blunders and triumphs of their own lives.
