Fireman Small - YouTube

The "building excitement" repetition of the text as Fireman Small prepares to race off to a call whips us all into a frenzy of anticipation and invites pauses so the kids can fill in the words. As he returns home to try to get back to sleep, his quiet routine settles us down and provides more opportunities for pauses and word filling in by non-readers. After a half dozen reads, some of those ...

Generally, a "fire-resistant" building is designed to limit fire to a small area or floor. Other floors can be safe by preventing smoke inhalation and damage. All buildings suspected or on fire must be evacuated, regardless of fire rating. Some fire fighting tactics may appear to be destructive, but often serve specific needs. For example, during ventilation, firefighters are forced to either ...
