Cima Case Study Answers

CIMA's case study exams require the ability to identify the issues in a business problem and to develop a response that meets the requirements that have been set in a credible manner. This returns to the theme of employability because a finance professional would be expected to respond to a superior's request in a manner that was sufficiently detailed to provide an adequate explanation of what was required.

Case study support 3: developing a fuller answer | CIMA ...

The case study examination is a simulated business role play. Therefore, understanding your persona and role in the case study exam can really help you produce a good answer at the right level for your audience. The simulation is made up of three broad parts: The role of finance ; The role simulated ; The job tasks simulated; Further detail can be found in the CIMA exam blueprint.

CIMA - Case Study Exams

CIMA's case study exams test candidates' ability to apply syllabus material to practical situations that are potentially new and challenging. Candidates should expect to be provided with the opportunity to demonstrate that they are adaptable and can offer realistic and sensible arguments that meet the brief set by colleagues/superiors.

Case study support 2- planning a good answer | CIMA Study ...

When faced with a CIMA case study exam you might be tempted to dive straight in and start writing your answer as soon as you've read the question. However, this approach will lead to a poor answer with no balance, no depth and a tendency to wander off track. I always make sure I spend the first 10 minutes of any CIMA case study question;

Pre-seen material and most popular resources for the November 2018 Case Study exams

CIMA - November 2018

The CIMA August 2019 strategic case study is based around a company called Uber, sorry I mean Zoom! Having read the pre-seen materials as I am sitting the exam myself, it's clear the company is based around the real life company Uber. Which makes it very interesting and relevant as I am sure we have all used the Uber platform when taking a taxi.

CIMA Case Study | the cima student

Plan your CIMA exams. On demand tests are available all year. There are four windows a year

when you can sit the case study exams (February; May; August; and November). Within each window exams will be available for three days from Wednesday to Friday.

CIMA - Exam timetable

The case study exam is designed to reflect tasks that you could be asked to do in a normal day at work as a finance officer, the level that this case study is designed to test. Unlike the Objective test papers, the case study exam mostly involves a written answer, usually 4 tasks lasting 45 minutes each.

CIMA Operational Case Study Exam Tips - Kaplan

The aim of the CIMA Professional Management case study is to apply the knowledge you have learnt across the whole management level. In the objective test exams you show what you know and how to answer questions quickly, but a case study exam is when you show how to apply what you know and how to give advice to management. It builds on everything you’ve studied in the underlying OT syllabus and combines it all together.

CIMA Management case study exam explained

This makes the case study exam different from most exams you will have sat to date – once you

have submitted a particular task (or the time limit is reached, whichever is sooner) you will be moved on and will not be able
